

Dear Parent/Guardian,

We have an *actual* chess coach lined up for our Lenart Chess Club students! Edwin Walker is very knowledgeable and experienced chess player and coach. He will be seeing students each Thursday from 3-4pm for just \$25 a student! Edwin works with other CPS schools to build and strengthen their Chess Team. He does not keep any of the money for himself, he donates it to chess teams that are in need of basic materials like boards, pieces, and clocks.

The cost is \$25/student for **3 sessions**. Even though this is a group coaching sessions, all levels will benefit from his lessons! He has experience with coaching groups of different ability. He stated that he would start with whole group instruction about the strategy he's teaching that day, then students will have specific tasks to work on based on their level/ability.

Session 1 will be Thursday, December 20th!

UPDATED Coaching Session Dates:
